

# TIVA2 Washers

## Thermal High Disinfector Line

Dental and medical practices need strict cleaning, disinfection, and sterilization of instruments before they can be used on patients. Thermal High Disinfection employs moist heat above 194° for a minimum of 5 minutes to kill bacteria and viruses in the washing phase. The Tiva line provides:

- Thermal High Disinfection to achieve a complete decontamination cycle.
- Minimizes consumption and operation costs while maximizing sustainability
- Improves user experience with an advanced control system and an easy to use interface

**TIVA2-H TD**  
Under Counter Washer

**TIVA2 TD**  
Counter Top Washer

High end washers for the decontamination of complex instruments

TIVA2 Thermal High Disinfector washers provide a flexible turnkey solution for washing, disinfecting and drying diverse medical instruments for a complete decontamination cycle.

**Pre-wash**  
Cold water removes soiled material

**Detergent wash**  
Cleaning with warm demineralized water & suitable alkaline detergents

**1st Rinse**  
Rinse with warm water to remove all cleaning agent residues, second rinse when required

**Thermal disinfection**  
Water at a temperature above 194oF for a minimum of 5 minutes

**Hot air drying**  
The dried instruments are ready for the next sterilization phase

# TIVA2/TIVA2-H TD are fully-automatic thermal high disinfectors for all practices.

## Features:

- Touch panel, color graphic display and real-time monitoring
- A total of 40 programs: Preset and programmable cycles
- Air drying prefilter + HEPA H14 filter
- Integrated water softener
- 2 dosing pumps with flowmeter for alkaline detergent and neutralizer (additional pump optional for TIVA2-H TD)
- USB/Printer for data documentation
- Provides complete & total evacuation of previous water (ETS)

## Utility Requirements:

### Water Connections

- Cold water connection for TIVA2 (default)
- Connection for demineralized water
- Integrated Water Softener with Salt Box

### Electrical Connections

- 208+240V 1 phase 60Hz

**NOTE:**

The front and back panel of the TIVA2 and TIVA2-H are identical

## Comes with the Following Configurations:

### Dental:

### Medical:

\*Unit does not come with any cassettes

## Dimensions:

### TIVA2-H TD Under Counter Washer

- (WxDxH) 23.4"x21.3"x32.2"
- Usable Chamber Volume: 65L

### TIVA2 TD Counter Top Washer

- (WxDxH) 23.4"X21.3"X23.6"
- Usable Chamber Volume: 65L

## T-Clean Tuttnauer Line of Detergents & Neutralizers

-User friendly for use in your Washer
